

Before the First Shots Are Fired: How America Can Win or Lose Off the Battlefield

By Tony Koltz

Palgrave Macmillan Trade. Hardcover. Book Condition: New. Hardcover. 256 pages. Dimensions: 9.3in. x 6.1in. x 1.1in. For the better part of the last half century, the United States has been the World's Police, claiming to defend ideologies, allies, and our national security through brute force. But is military action always the most appropriate response? Drawing on his vast experience, from combat in Vietnam to peacekeeping in Somalia, to war games in Washington, DC and negotiations with former rebels in the Philippines, retired four-star General Tony Zinni argues that we have a lot of work to do to make the process of going to war or not more clear-eyed and ultimately successful. He examines the relationship between the executive and the military (including the difference between passive and engaged presidents); the failures of the Joint Chief of Staff; the challenges of working with the UN, coalition forces, and NATO; the difference between young, on the ground officers and less savvy senior leaders; the role of special forces and drone warfare; and the difficult choices that need to be made to create tomorrow's military. Among his provocative points: Virtually every recent American military operation follows a disconnected series of actions that lead to outcomes we...

Basically no words to describe. It is filled with knowledge and wisdom I am just pleased to let you know that this is actually the greatest publication I have read within my individual lifestyle and may be the best publication for at any time.

The publication is easy to read better to understand. It is written in basic words and phrases rather than hard to understand. You won't truly feel monotony at anytime of your respective time (that's what catalogues are for about if you question me).
