I herewith submit my fifth annual report as president of the college. Attendance. The attendance of students of college rank for the last college year exceeded that of the previous year by 68, and aggregated 320 four-years men, 12 unclassified students of college grade and 18 graduate students; there were 260 in various short courses, making a total attendance of 610. The entering class the present autumn numbered 158, the largest previous freshman class being 131, a year ago. The total number of four-years men in present attendance is 402; of unclassified students, 17; of graduate students, 15. (See Table I.) Eighty-five percent, of the present freshman class come from Massachusetts, with 9 other States and 1 foreign country, China, represented. About one-fifth of the class are undecided as to their intended vocation; about one-third of the whole class state that they intend to follow some phase of professional agriculture or horticulture; and considerably more than one-third of the whole class state that they intend to follow some phase of practical agriculture or horticulture. Ninety-one percent, of those having made a decision intend to follow an agricultural vocation. Less than one-fourth of the fathers of the members of the freshman class are engaged in agriculture or horticulture, and a trifle over one-fourth of the members of the freshman class were brought up on farms, although more than one-half of those not brought up on a farm have had some farm experience. The average age of the entering...
