Brand New Book ***** Print on Demand *****.More Than Medicine bridges the gap between didactic medical knowledge and customer service by integrating the two, seamlessly. Are you just starting out in your medical career? Are you a solo practitioner? Are you about to start your externships and have no clue how to interact with patients? Do you want to increase your patient volume without spending more money? Maybe you have years of experience but are still struggling with practice management stresses of timely patient care, dealing with co-workers and staff or successfully managing difficult patients. The author shares and explains practical tips and pearls to help all healthcare providers serve their patients effectively and more efficiently as well as manage and work with staff more cohesively. In short, the information shared will enable you to increase your revenue and enhance your reputation by simply being the best! Patients are becoming more and more picky in choosing their healthcare providers. This fact affects doctors, nurses, medical assistants, physician assistants, specialists and paraprofessionals. Read this book to set yourself apart and be positively memorable! Learn what they don t teach you in school!.
