The area of southern Delaware in and around Rehoboth Beach has long had a large community of LGBT vacationers and homeowners. Into this resort area come many couples looking for a romantic setting. Sean and Harry are one such couple who travel there for a summer weekend, in search of a few days of lounging on the beach, and dancing at night. What they encounter during their time there is a series of unexpected events, which cause them to re-evaluate their relationship and their own motivations. This is also a broader story of a generation of gay men whose lives have changed dramatically from their past, from which they are making a final break. They are uncertain of what they want and need, sometimes still haunted by families and other people left behind.
