One of the most complex issues of the faith is prised open in the authors peculiar style making the mystery of the first fruit an easy read. The most common root of frustration, fruitlessness and stagnation in practical Christianity is revealed with surgical precision by pinpointing the power of the primary firstfruit that precedes all others. The author opens our eyes to the subtle introductions that diverted the ancient church in Galatia from the paths of life and is wreaking havoc in the modern church. Most believers only have a vague understanding of the spiritual viruses that are capable of frustrating the unwary Christian but the trio dubbed Another Gospel, Another Jesus and Another Spirit are exposed and decoded with ease. The real gospel is not a heavy burden and the revelation shows us how mustard sized faith yields glorious results but the fruit of corrupted faith is a burden that frustrates testimonies. The revelation highlights the only type of gospel that produces the fruit that is acceptable to God. Seven spiritual litmus tests are provided to help us to differentiate between the acceptable faith and all others. The cocoa farmer knows that the fruit that does not qualify for export grade cannot be shipped abroad. The fruit of faith that is below the divine grade can produce nothing but grief and disappointment because heaven cannot approve it. This is a revelation that will turbocharge your faith to restore your excitement as in the early days of faith.
