CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 278 pages. Dimensions: 9.0in. x 6.0in. x 0.6in. A nice butt and a gun the first two things Dee Jones noticed about the tall sexy man in front of her Nick Carson, ex-Navy Seal turned private detective. Their pleasant encounter is interrupted by a bank robbery. After the robbery, Nick invites Dee to lunch and they enjoy a first date of target shooting and passion. He cant resist her puzzling combination of hurt child and strong, sexy, independent woman. He is convinced patience and his skills as a private detective will gain him access to her heart and her secrets. Dee struggles with Nicks large and often interfering family who are steeped in law enforcement. With her checkered past, Dee vehemently distrusts cops. For Dee, family is just another stone to weigh her down but Nick believes his family only makes him stronger. Could he be right Nick draws her into the security of his loving family, showing her how positive family can be but still Dee hesitates even as she becomes attached to his family. Experience has taught her to keep her distance and not become entangled. Secrets must be kept or pain will result both physical and emotional. Dees stubborn insistence that Nick doesnt need to know whats in her past drives a wall between them. Nick is drawn to her vulnerability but cant get past her refusal to share her past. In frustration, Nick investigates the woman he is quickly falling for. As the bank robbers are caught, Dee realizes she cant testify because just saying her name is a lie. Dee is forced to choose between running away and facing her past. Following her instincts, she opts to run but before she does she...
