

Learning for Life and Work Home Economics in Close-Up: Key Stage 3

By Laura McGreevy

Colourpoint Books. Paperback. Book Condition: new. BRAND NEW, Learning for Life and Work Home Economics in Close-Up: Key Stage 3, Laura McGreevy, This colourful new resource has been written to cover the theory for all three years of Home Economics at Key Stage 3 level. Incorporating current legislation, facts and figures, the content addresses: * all of the Statutory Requirements outlined by the Northern Ireland Curriculum. * the Cross-curricular Skills, Thinking Skills and Personal Capabilities required by the Northern Ireland Curriculum. * the Core Competences identified by the British Nutrition Foundation, Public Health England, Food Standards Agency Northern Ireland, Food Standards Agency Scotland and the Welsh Government. The book is arranged logically, looking at the three Key Concepts of Healthy Eating, Independent Living and Home and Family Life in order. These concepts are divided into individual chapters, each exploring a different topic and containing activities appropriate for a range of ages and abilities. The stand-alone nature of each chapter means that teachers can choose the most appropriate order to progress through the material during the course of three years. Suitable for a broad range of abilities, this textbook is specifically designed as a building block for both the CCEA Entry...

Reviews

A superior quality ebook and also the font used was interesting to read through. This is for all who statte there was not a well worth reading. I discovered this publication from my dad and i encouraged this pdf to learn.

-- Felix Lehner Jr.

The best ebook i possibly read. I have go through and i also am sure that i am going to planning to read once again again later on. Its been printed in an extremely simple way which is simply after i finished reading through this ebook by which basically changed me, alter the way i really believe.
