By Good Homes Magazine, Julie Savill

Ebury Publishing, United Kingdom, 2007. Paperback. Book Condition: New. 154 x 136 mm. Language: English . Brand New Book. 101 Ideas for Upstairs presents 101 looks for bedrooms and bathrooms from cool modern to warm country with a touch of tradition and a little breathtaking colour thrown in for good measure. There's something about bedrooms and bathrooms that gives people the confidence to be a little daring and experimental. Whether you're playing safe or going for broke, a little guidance, a few fresh ideas and the guarantee that all the ideas work is good news indeed. The book is divided into two key sections, bedrooms and bathrooms, and each is then subdivided into key styles. Each room is illustrated with a beautifully shot full-colour photograph and in-depth advice on how to create the look at home. Choosing colour, mixing pattern, how to be creative with lighting and the all-important finishing touches are all explored in a way that will provide invaluable insight into the rules of decorating.

This book can be worthy of a read, and much better than other. It usually fails to charge a lot of. I realized this publication from my dad and i encouraged this pdf to understand.

An incredibly great book with perfect and lucid answers. Better then never, though i am quite late in start reading this one. You will not sense monotony at whenever you want of the time (that's what catalogues are for relating to if you question me).
