As you read this book, you will long for a friend like Jesse in your life. Here s the good news - Vivio shares her secret to finding and developing this kind of life-changing friendship in your own life. Life is tough . and even tougher without a true friend. Don t miss the opportunity to meet your Jesse. Jesse is a captivating story of hurt and healing, bitterness and forgiveness, as a tender heart turns calloused and resentful to all but one person - Jesse - a true friend through thick and thin. LaVern opens the curtains of her soul in a courageous way to reveal the story of her heart. I have personally witnessed her walk with through many of the chapters of this story. I love this family, and I love what God has done with LaVern s heart. I think you will love it too, for it will resonate with your own heart in more ways than you may expect.
