

How the IMF Broke Greece: Role of the Fake Left (Paperback)

By V N Gelis

Createspace Independent Publishing Platform, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. An analysis about the role of the IMF in Greece coupled with many eyewitness reports for the first time published in the English language in one location. What is happening, how it happened and what might be the eventual outcome of this rape of a country and its people. The first book of its kind that charts the rise and fall of the Greek Indignants. Worth a read for all those disgusted and appalled at the global bankers treatment of nations in the current light of the growth of the Occupy Wall Street movement in the heart of the USA.
