101 THINGS TO DO WITH GLITTER (PAPERBACK)

Vivays Publishing Ltd, United Kingdom, 2015. Paperback. Condition: New. Language: English . Brand New Book. There is something magical about glitter. It reminds one of fairy dust or of disco balls, or of the dazzling dresses worn by film stars. Glitter comes in a rainbow of colours and types from the classic glitter well-loved by children to glittery fabrics to spray-on glitter and edible glitter! This book contains over 101 projects that you can create: shimmery fashion, glistening items for the home, shiny gifts and even twinkling food! Not only will you learn a little about how glitter is made and the many types of glitter, but the author also offers tips and techniques for using glitter - and cleaning it up! Projects created by the author and contributors from across the world will inspire readers to add their own touches and release that creative urge that lurks somewhere within us all. The projects range from t-shirts, shoes and tote-bags to lipgloss, bath salts and soaps, to chocolate truffles, glittery jam and iced biscuits and so many more. All, of course, using the right glitter for the job! A book for all ages.
