BRILLIANCE AUDIO, United States, 2015. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. For most people, Valentine s Day means flowers, chocolates, and candlelit dinners. But for five of Seek Software s employees, it s shaping up to be as much fun as a trip to the dentist. Long-term singleton Sophie has a crush on colleague Nathan but worries he doesn t even know her name. And is there really any point in her sending a card to the man who organises the annual office Anti-Valentine s party? Overweight, insecure, and still living with his mum, Calum s desperate for a girlfriend. He s recently met the woman of his dreams online but his exaggerated profile might mean tonight s first date could also be their last. Mark s been besotted with Julie since she kissed him at the office Christmas party. While she doesn t seem to remember a thing, today might be his best chance to remind her. If only he could work out how. A Day at the Office is a wise, wonderfully moving, and laugh-out-loud novel about life, love, and relationships by bestselling novelist Matt Dunn.
