

The Handbook for the Future: How Positive and Negative Cosmological Forces Influence Our Planet and the Universe

Filesize: 8.47 MB

Reviews

A very amazing publication with perfect and lucid information. We have read through and that i am certain that i will planning to study once more yet again in the future. You will not really feel monotony at anytime of the time (that's what catalogues are for about should you question me).

(Matilda Hoeger V)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Thanks to the Internet, an aspect of the aggregated consciousness of our planet has evolved considerably in just the last five to ten years. A large percentage of people around the world are now aware of the violence and destruction that is ravaging much of the planet. The problem is that this brings many questions and serious concerns, but few answers. I am here to serve mankind. I do not have a formal affiliation with any religion, or spiritual group, but I do pray for all sentient beings every day and try to live within basic spiritual principles and practices. Knowledge of the crisis that our planet is currently experiencing was endowed to me years ago. I knew that it would start around 2010, and should be complete by approximately 2025. Much of the destruction will be caused by man-made events such as war, terror, social unrest and financial and economic disruption. A wide range of natural catastrophes and planetary abnormalities, such as massive global ice melt and coral loss will contribute to the disruption. Flooding will be a major factor. Drought is also emerging in many parts of the world. After reading The Handbook for the Future people will be able to say: Finally, we have someone who understands the planet. He knows which forces are driving this huge negative that is plaguing us. He will help you will understand why this process is occurring, how long it will take to play out, and what the final outcomes might be. He will show us ways to protect ourselves, our families and friends in mind, body and spirit. The Handbook will make sense of today...
