Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****. Moving to Michigan was hard, because that meant that I had to leave my best friends, Emma, Ezra, and Scott behind. Leaving my many other good friends from church and school behind was not fun, either. Thankfully, the move to Michigan did not stop me from seeing my friends back home. During Christmas break and summer vacation, I would come and visit. Since the twins (Emma and Ezra) and their parents had made it very clear from the beginning that I always had a second home with them, and could come and stay with them whenever I visited, I would always end up staying with them. Besides getting to spend quality time with Scott and the twins, I also got to spend time with my many other friends from Orlando, as well! Even though I made lots of friends in Michigan, I am truly happy and excited about moving back to my hometown. At this very moment, in fact, my plane is touching down at the Orlando International Airport. It feels so good to be home!.
