

A Handbook of Critical Approaches to Literature (Paperback)

By Wilfred Guerin

Oxford University Press Inc, United States, 2010. Paperback. Condition: New. 6th ed.. Language: English . Brand New Book. Ranging from traditional approaches to the most contemporary perspectives, such as feminist and gender studies, cultural studies, and postcolonial studies, A Handbook of Critical Approaches to Literature offers readers a variety of clearly articulated approaches to interpreting literature. This thoroughly updated sixth edition applies these diverse approaches to the same six classic works-- To His Coy Mistress, Young Goodman Brown, Everyday Use, Hamlet, Huckleberry Finn, and Frankenstein--in a way proven to elicit student analysis by enriching their response to and understanding of the individual works and critical theory. (Andrew Marvell s poem To His Coy Mistress, Nathaniel Hawthorne s story Young Goodman Brown, and Alice Walker s story Everyday Use are included in full within this volume.)
