### **Reviews**

*It is one of my personal favorite books. It is written in easy terms and never hard to understand. It has been designed in an exceedingly easy way and it is only after I finished reading this publication that I, in fact, changed the way I think.*  
*(Lucinda Stiedemann)*

## NIGHT OF THE NECROTECH

Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. The life of a sell-sword is a hard one, and trouble always seems to find even the most well-meaning mercenary. Rutger and Taryn are scraping by in the infamous Port of Deceit, a place where two skilled mercenaries should have no trouble finding work. But an ominous shadow has fallen across the city of Five Fingers, and an ancient evil has come to gorge itself on the agony and suffering that have long been the city's stock and trade. Rutger and Taryn are dragged into a tangled plot of danger and intrigue as they face a terrifying Cryxian invasion and a vengeful specter from their past. When the vile leader of the Cryxian incursion takes an unhealthy interest in the two, the stakes get impossibly high, and Rutger and Taryn must fight to survive the Night of the Necrotech.
