

## Amazing Fishing Stories

By Paul Knight

Audible Studios on Brilliance, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. Lifelong fisherman Paul Knight knows the thrill of the chase, the one-on-one battle of endurance between man and beast that is sport fishing. Like Hemingway, and legions of others who've tested themselves against nature, Knight has traveled to remote parts of the globe to reel in stories of epic adventures with rod and line. In *Amazing Fishing Stories*, he takes listeners on a breathtaking expedition from frozen Russian rivers to the wild jungles of India, detailing the heart-pounding capture of sailfish, tuna, and shark, and thrilling struggles with monsters from the deep. There are wonderful stories of fly fishing, as Knight describes in captivating detail the pursuit of salmon, trout, and more exotic sport from the Scottish Highlands to the Indian jungle. International in scope, and covering all types of fishing from open ocean to mountain stream, this eclectic collection of well-told fishing stories has something for everyone.

### Reviews

*This is the finest publication we have read through right up until now. Better than never, though I am quite late in starting to read this one. It has been written in a remarkably easy way in fact it is only after I finished reading through this book that I was basically altered, affected the way I think.*
