Reviews

It is one of the most popular books. I am quite late in starting to read this one, but better than never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Sea Raven Press. Paperback. Book Condition: New. Paperback. 252 pages. Dimensions: 8.4in. x 5.5in. x 0.8in. Ask the average American who their favorite Civil War general is and you will invariably get the name of the blue-coated Union military hero Ulysses S. Grant. Victorian Yankees loved him so much they put his face on their fifty-dollar bill and made him president of the United States twice. We in the South, however, prefer our Civil War generals in Confederate gray, and none wore it better, or more nobly and prouder, than Robert E. Lee. Whether you are new to the Great Virginian or a longtime fan, award-winning Southern historian Lochlainn Seabrooks book, *The Quotable Robert E. Lee: Selections From the Writings and Speeches of the South's Most Beloved Civil War General*, will be a revelation. Writers, teachers, scholars, speakers, preachers, lecturers, and historians will find this compact book of literary gems of inestimable value, and history lovers and Civil War buffs will enjoy meandering through both the many Victorian illustrations and the veritable garden of Leeisms. The latter include everything from his private letters and military dispatches, to his personal views on education, child-rearing, Nature, religion, secession, slavery, abolition, and Lincoln's War. While we often learn about famous individuals through dry encyclopedic entries, overly detailed history books, and massively long biographies, in Seabrooks *The Quotable Robert E. Lee* we get to know Marse Robert—and even relive the Civil War—through his own words, notes, aphorisms, letters, speeches, and field reports. Discover the real Robert E. Lee in the role of son, brother, husband, father, friend, devout Christian, Mexican-American War vet, Civil War general, and president of Washington College (now Washington and Lee University) in this information-packed read. Includes nearly 400 footnoted quotes, a time line of Lee's life and accomplishments, a Lee family tree,...
