

## An Experimental Study in the Psychology of Reading (Classic Reprint) (Paperback)

Filesize: 6.63 MB

### **Reviews**

*An incredibly great book with perfect and lucid answers. Better then never, though i am quite late in start reading this one. You will not sense monotony at whenever you want of the time (that's what catalogues are for relating to if you question me).  
(Nannie Lindgren Jr.)*

## **AN EXPERIMENTAL STUDY IN THE PSYCHOLOGY OF READING (CLASSIC REPRINT) (PAPERBACK)**

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from An Experimental Study in the Psychology of Reading More recently, however, a marked Change has been taking place. As a result, the reading process is rapidly being analyzed, and careful studies are being made of its several components, such as rate and comprehension. Individual differences are being determined, reading materials standardized, norms and standards of accomplishment established, the differences between silent and oral reading more definitely set forth, and new practices developed. This new and promising movement is due in part to the influence of the rapidly growing technical psychology of reading, the inception and development of which are traced in the next Chapter, and in part it is part and parcel of the present scientific movement in education - the movement which is ruthlessly challenging all of our practices, in so far as these rest upon traditional and empirical rather than scientific principles. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
