Las ocho historias que conforman los cuentos para sonar de mi Nana Luna estan delicadamente unidas por un cordon de plata; la voz de Nana Luna. Este hilo conductor las entrelaza y las convierte en parte de un todo, un pequeno mundo de amorosos recuerdos donde la realidad y la fantasia se han mezclado a tal punto, que la linea divisoria entre ellas sera dificil de distinguir. Creados especialmente para ninas, mujeres, madres, hijas y abuelas, pero abiertos para deleitar a ninos, hombres, padres, hijos y abuelos que se aventuren a navegar por sus paginas; Los cuentos para sonar de mi Nana Luna los transportaran a una infancia remota donde lo que reina son la imaginacion y el amor. Nana Luna s bed time stories to dream is a collection of eight stories which are delicately joined by a silver cord: Nana Luna s voice. This thread intertwines them and makes them become part of a whole, a little world of loving memories where reality and fantasy are mixed to such an extent that the line between them will be difficult to distinguish. Created especially for girls, women, mothers, daughters and grandmothers, but open to delight boys, men, fathers and grandfathers who venture browsing its pages; Nana Luna s bed time stories to dream will transport the reader to a distant childhood where the rulers are, love and imagination.
