Summary: "The joy of From the Ground Up is not Nolan's own happy ending but rather the illuminating way she applies her vision to practical problems. . . . The hardest memoir to write is the one that is honest but not self-obsessed; Nolan accomplishes this with clarity and poise." -Jane Smiley, Harper's "By bravely sharing her personal journey in this remarkable book, Jeanne Nolan gives each of us a gift-one that has the power to motivate us to pursue the values we believe in, to free ourselves from convention, to be better parents, and to accept the love of family and community-however we define those. The same is true for living well. All this and more comes through in the story of Jeanne Nolan's quest to find her place in the world. Her book reinforced my beliefs about the power of a garden to heal, and opened my eyes to so much...
