In Mysterious Ways two young parochial school students discover that their first innocent kiss may have been a fate tempter. Two self-described math geeks toss away their calculator-based approach to kissing and discover that blind passion has its own drawbacks in After Math. In Two Good Pilgrims the quarterback learns how life can change after his girlfriend returns from summer drama camp. Two teenagers discover the power of pheromones behind the Macy s cosmetics counter in Beauty and the Beast Within. In Forearmed is Forewarned, a young man postpones his first week at college to stay home once he learns how much his little sister idolizes him.
