

Tales and Truths

By Elizabeth Barnes

Barnes Books. Paperback. Condition: New. 68 pages. Dimensions: 9.0in. x 6.0in. x 0.1in. Tales and Truths is a deeply personal collection that ends with the poem A Tribute, which Barnes describes as a Truth woven in the fabric of my being. I let you into secrets (in a subtle way I hope) and make sort of confession of my inner thoughts. So though I leave out drama, mystery and noble themes, I hope that in their telling they find in you too, a home. (from A Tribute, Tales and Truths) Tales and Truths is the last book in a series of four that also includes: Fragments, The Dreamers and Lost Voices, and Letters and Conjectures and Museum Musings. These collections of poetry came about almost spontaneously and kept me engaged and happy at a time when many options were closing on me due to illness. Many are the uses of adversity. (Elizabeth Barnes) This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.

Reviews

This publication will never be straightforward to get going on looking at but really fun to see. This can be for all those who stante that there had not been a worth looking at. You wont really feel monotony at at any moment of your own time (that's what catalogs are for about should you request me).
