The AD/HD Book: Answers to Parents Most Pressing Questions

By Beth Ann Hill, James Van Haren

Avery Publishing Group Inc., U.S., United States, 2006. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book. Many experts say that, conservatively, well over six million children have attention deficit hyperactivity disorder. With the mounting pressure placed on parents to pursue a diagnosis and medicate hyperactive children, the urgency of life-changing decisions can weigh heavily on the whole family. Conflicting advice bombards parents from all sides-often leaving families more confused and anxious than before. The AD/HD Book seeks to quell fears and rationally addresses nearly one hundred common questions and concerns to help parents make sense of the information chaos. Beth Ann Hill, herself a mother and educator of AD/HD children, clearly explains the basics of AD/HD and lays out its complexities. She logically takes parents from symptoms, diagnoses and tests, medication, a treatment strategy designed to combine medical treatment, and special parenting techniques to break through problem behaviors. Whether readers browse through the question-and-answer format or read from start to finish, they will come to: - understand the biological causes of AD/HD - get the facts on prescription drugs - cope with AD/HD's emotional impact on family and friends - find comfort in real-life examples...
