iUniverse, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Financial planner Graham A. Howarth knows that having money or possessions does not guarantee a prosperous life. Prosperity is the feeling of satisfaction and fulfillment in all areas of your life. It s easy to spot the truly prosperous-they are generally authentic, fun, polite, ethical people with great relationships and values. Creating Prosperity and Financial Peace is a valuable tool for moving forward in personal financial planning, providing insights concerning cash flow analysis, estate planning, investments, trusts, retirement income, insurance, and the effects of dying intestate because prosperity is not something that is given to us. While some people are provided with financial abundance at an early age, prosperity is a positive behavior that is created over time. Howarth shares stories of people and their family members who had not developed this habit of prosperity and who experienced situations they thought would never happen to them. Exercises are included to help you determine goals, overcome barriers, practice successful time management, find money, and plan financially for the future. Howarth provides a multitude of resources to activate imagination in the creation of dreams, goals, prosperity, and your financial peace.
