

Simon and the Easter Miracle: A traditional tale for Easter (Paperback)

By Mary Joslin

Lion Hudson Plc, United Kingdom, 2014. Paperback. Condition: New. Anna Luraschi (illustrator). Reprint. Language: English . Brand New Book. The gospels tell of Simon of Cyrene - a man coming in from the country - who was ordered to carry Jesus cross. Over the centuries, his story has been woven into Polish folklore: When Simon the farmer brings his wares to market, little does he expect how he will be involved in the events of that very special day, nor how his produce - of bread, eggs and wine - will become important symbols of Jesus passion and resurrection, remembered throughout the ages. Together with sophisticated artwork, this picture book retelling of a traditional European tale is both thought-provoking and engaging, with the events and meaning of the first Easter at its heart.
