Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from A Merchant Fleet at War During a war, which was at last to draw into its vortex practically the whole human race - the issue depending, first and foremost, on sea power - there was little time or opportunity or, indeed, inclination on the part of British seamen to keep a record of their varied activities. The very nature of many of the incidents recorded in the following pages precluded the preparation of detailed reports at the time. Nor can we forget that many of the officers and men, to whose resource, courage, and devotion this volume bears testimony, have joined the great silent army of the dead to whose exploits the freedom of conscience of every man and woman in the British Empire, as well as their state of material comfort, bear witness.
