Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.My book is about real life poetry, I write from my heart, I write whatever I feel at any given time. I enjoy creating stories, therefore I have a collection of short stories, for children, teens, and adults. I have been writing poetry since a young child. I was a very quiet and shy child, therefore I did not speak much. I remember when I was in my 3rd grade english class and I was told to write about how I felt that day. I remember feeling good when I expressed myself through pencil and paper, so I enjoyed writing from that day on. I write about how I feel and what I see people experience. The majority of my literature stems from real life situations, and some of which I experienced.
