

Tasting of Trees

By T Forrest

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 76 pages. Dimensions: 8.0in. x 5.0in. x 0.2in. This book was written to be the beginning of a holistic journey of emotionally charged words, infused into a kaleidoscope life; written through childlike eyes and a heartfelt soul, each raw emotion unfolding through the gift of words. The title, Tasting of Trees, was chosen because within the lines, there is a delicate dance of life that fashions itself to a tree going through seasons. We usually see the different seasons displayed vividly through trees. We see the seasons just as vivid in the lives of those around us. I hope that when you read these verses, that you will be rejuvenated, walk through inflection, connect with the cadence, and savor the family affair. This item ships from La Vergne, TN. Paperback.
