International School of The Bible. Paperback. Book Condition: New. Paperback. 166 pages. Dimensions: 9.0in. x 6.0in. x 0.4in. Fear of the future This book is for you! If you have ever lived through a great disappointment, or experienced a great tragedy or trial, or perhaps you are currently in a season of great suffering, this book is for you. It is also for those people who want to be prepared in advance for life's challenges. It is clear to many that we are in a time when greater challenges will confront us. The world's system has failed to solve life's challenges since ancient times. The Bible speaks about an end-time world government that will promise to transition the world into peace and security. This new world government will be like all in the past, a walking corpse. At the same time it is quite possible that very difficult times will prevail during this coming transition. Most of us did not expect our past and present challenges, and most still do not want to believe that the future holds such challenging events. Perhaps we felt, and still feel, sufficient to avoid tragedies, or we dream that they could never occur in our lives. When events like this occur, they bring along with them the dying of one of our kings. Our kings are the things we rely upon to keep us safe and happy. This book will reveal how you can begin to live your life in God's Kingdom now, and remain under His care as I have since 1979. Living your life as this book describes will convert your challenges into eternal blessings and will prepare you to live an overcoming life no matter what the future holds. Fear of the future will be a thing of the past. Most...
