

On the Use and Misuse of Theories and Models in Mainstream Economics (Paperback)

Filesize: 9.49 MB

Reviews

A really great publication with perfect and lucid explanations. Of course, it is play, continue to an amazing and interesting literature. I discovered this book from my i and dad suggested this publication to find out.
(Dr. Augustine Borer)

ON THE USE AND MISUSE OF THEORIES AND MODELS IN MAINSTREAM ECONOMICS (PAPERBACK)

DOWNLOAD

College Publications, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This collection of previously published and new papers is a major intervention in the on-going debate about the nature and future of economics. Instead of the present deductivist-formalist orientation of mainstream economics, Lars Syll advocates for the adoption of a more pluralist approach to economics, arguing for more realism and relevance with less insistence on mathematical modeling. This challenging and thought-provoking book will prove a stimulating read for researchers, academics and students of economics interested in the methodology and philosophy of economics. Lars Palsson Syll received a PhD in Economic History in 1991 and a PhD in Economics in 1997. Since 2004 he is Professor of Social Science at Malmo University, Sweden. A wonderful set of clearly written and highly informative essays by a scholar who is knowledgeable, critical and sharp enough to see how things really are in the discipline, and honest and brave enough to say how things are. A must read especially for those truly concerned and/or puzzled about the state of modern economics. - Tony Lawson, Cambridge.
