Brand New Book ***** Print on Demand *****.Excerpt from Materia Medica and Therapeutics, Vol. 2: With Especial Reference to the Clinical Application of Drugs The issue of the second volume of this work has been unexpectedly and unavoidably delayed. Several circumstances have concurred to produce this result. In projecting a work of some magnitude it is necessarily difficult to estimate the time which its execution will demand. After the most liberal allowance seems to have been made, the exigencies of professional life may totally disarrange preconceived plans. This premise, which applies to every physician who essays to add to the literature of his profession, gains added force in the present instance, since the author stood already pledged to several other literary undertakings. No one can regret more than the writer that his calculations have been disturbed and the fulfillment of his present task postponed. He felt, however, that it was far more important that his labor should be performed as thoroughly as possible than that it should be finished by a specified date. He certainly desired that the work should be based upon his...
