Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. A riveting debut thriller from one of New York s most eminent surgeons, Night Harvest follows the bizarre disappearance of patients from a Manhattan hospital into the murky underground of the city. Fourth-year medical student Demetri Makropolis has been assigned to cover orthopedics at Eastside Medical Center, one of New York City s finest hospitals. Just as his surgery team begins to operate on New York s leading drama critic, F. J. Pervis III, the patient suddenly goes into cardiac arrest. The team fails to resuscitate him, so the corpse is moved to the hospital s morgue. But before the autopsy is even performed, the body vanishes from the morgue and mysteriously reappears a day later--with the brain surgically removed. Even more disturbing is the medical examiner s discovery: Pervis was still alive when the ghostly craniotomy was performed. With their reputation at stake, the hospital assigns NYPD s Detective Patrick McManus to the case; meanwhile, Demetri learns of an eerily similar century-old unsolved mystery that leads him to an enigmatic figure lurking in the bowels of the medical center. With Pervis as his experiment, the perpetrator initiates a chain reaction of chaos and murder in Manhattan. A gripping tale filled with ambition, romance, jealousies, and black humor, Night Harvest is a thrilling ride that culminates in the long-abandoned elaborate network of subterranean rooms and corridors that still lie beneath present-day Manhattan.
